# 10. Writing of technical (scientific & management oriented) review article & publishing online

## 10.1 -> Technical Review (iPad Pro):

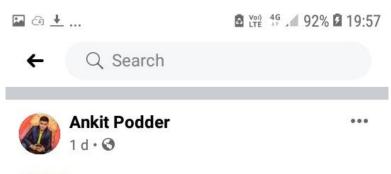

The iPad Pro is perhaps the ultimate portable computer for either the digital artist or mobile professional- albeit with some limitations. Equipped with only one USB-C port, and lacking support for full MacOS, the iPad Pro is unlikely to replace your desktop or laptop Mac computer anytime soon. Accepting these limi... See more

## 10.2 -> Technical Review (Redmi Note 9 Pro):

## **#MAR**

Here are some camera shots that can be helpful to you make the purchase decision of Redmi Note 9 Pro.

Ratings of the Smartphone is below.

Design: 9/10 (One point not given because it

has no Metal body frame).

Display: 8/10 (Its because it has not higher

refresh rate as Realme 6)

Finger Print Reader: 10/10 (Placement is the

Best).... See more
